

### What We Do For You

- Boating education to help you become a more competent and safe boater
- Classroom instruction AND on-the-water training
- Specific courses and seminars to advance your skill and knowledge in boat operation and maintenance
- Interaction with a group of experienced boaters who know how to have fun: raft-ups, cruises, picnics and get-togethers
- Discounts on most boat insurance policies
- Discounts on boating-related goods and services

... and much more!

# Rockville Sail and Power Squadron (RSPS)

*Boating is Fun...  
We'll Show You How!*

*Education  
Skills & Safety  
Civic Service*

## Who Are We

The **Rockville Sail and Power Squadron** is a part of the United States Power Squadrons, the world's largest not-for-profit recreational boating organization dedicated to boating education, boating safety, civic service, and the camaraderie of fellow members.

RSPS is one of the most active, recognized, and dynamic squadrons in USPS and offers a wide range of education (courses, classes and seminars) and events for our members.

## Membership

The requirements for membership are an interest in boating activities and education and an eagerness to meet and socialize with like-minded people.

Most of our members come from Montgomery and neighboring counties in the Washington D.C. metropolitan area. **You do not need a boat to join!**

## Seminars

- Marine Radar
- Using GPS
- Partner-in-Command
- Anchoring
- Boat Handling
- Using VHF and VHF/DSC Radio
- Knots, Bends and Hitches
